

MUKURTU

(MOOK-oo-too)

Digital Preservation & Archiving Community Workshop

April 26th, 2015

Time: 9:00am - 4:30pm

5250 Aero Drive, Santa Rosa, CA 95403

Mukurtu (MOOK-oo-too) is a community archive and digital content management platform. Mukurtu is built to **support communities to manage, share, and exchange their digital heritage in culturally relevant and ethically-minded ways.** The platform serves **tribes, cultural preservation programs, language revitalization programs, museums, archives, libraries and more.** Mukurtu's philosophy is to maintain an open, community-driven approach to development and to help build a platform that fosters relationships of respect and trust.

In this workshop, participants will get **hands-on experience with Mukurtu CMS and Mukurtu Mobile.** Participants will learn: 1) **basic site set up** 2) **core features,** 3) **step-by-step procedures to curate digital heritage items with Mukurtu CMS and how to collect content using Mukurtu Mobile.** Participants will see examples of Mukurtu CMS in use in communities emphasizing preservation strategies, cultural protocols, and the use of traditional knowledge labels for items and collections.

LUNCH WILL BE PROVIDED. For more information, please contact Tomio Endo at (707)579-3004 or email us at cimandcc@aol.com.

RSVP to (707) 579-3004 or cimandcc@aol.com

This workshop will be limited to 25 participants, so make sure to reserve your space.

This program was made possible by the First Nations Native Agriculture and Food Systems Initiative grant program.
