

# **THE CALIFORNIA INDIAN MUSEUM AND CULTURAL CENTER Presents:**

## **A PROFILE OF CALIFORNIA INDIAN HISTORY**

**Saturday, February 16, 2013**

**Time: 1:30 PM - 3:30 PM**

**5250 Aero Drive, Santa Rosa, CA 95403**

We invite you to come to CIMCC to hear the founding board member, Joseph Myers (Pomo), give an important lecture on the history of California Indians. You will learn about the history of Indian people of California, and their contributions. He will review little known California laws and policies passed by the first state legislature that impacted the lives of California Indians.

The history of California Indians has not yet been fully integrated into the history books for the state or this nation. California Indians played a significant role in the development of California even though they were subject to state and federal policies aimed at subjugation and extermination. These stories must be shared lest they be forgotten. We hope you will join us to explore these and other important historical issues involving California Indians.

**RSVP if you plan on attending (walk-ins welcome).**
