

HISTORICAL INTELLIGENCE TRAINING

CALIFORNIA
INDIAN
MUSEUM
& CULTURAL
CENTER

ATTENTION TEACHERS

The California Indian Museum and Cultural Center (CIMCC) provides three engaging educational presentations for educators. They are great for class curriculum, groups, organizations, events and more. These programs include discussion, digital media and hands-on activities.

This training will be presented by a museum professional outreach educator at CIMCC.

To qualify for a waiver of admission fees for a STEM Maker Station Field Trip (for up to 30 students), teachers must complete a one day 6 hour training and book a field trip for Fall 2018. CIMCC will host two separate summer trainings. Book your field trip by September 28, 2018 to be entitled to a waiver of admission fees for your class field trip.
