

## Pre-Registration for Native Youth College and Career Institute

### CIMCC's Native Youth College and Career Institute Pre-Registration Form

**CIMCC in partnership with UC Berkeley's Joseph A. Myers Center and Native American Student Development is offering a program for Native American high school students that would like to access resources to assist them in obtaining higher education. The program will take place at UC Berkeley from June 24-27th, 2019.**

**Please note that completing this pre-registration form is only an indication to show that you are interested in participating in this institute. We will send out the complete application for this program once the details for the institute have been finalized.**
