Re: Meal Service During Extended School Site Closure

Due to the extended closure of school sites in the district we have worked out a plan to continue providing meals to students.

## **What:**

1 'sack' breakfast and 'sack' lunch will be provided per MUSD student.

## **When:**

Starting Tuesday, March 17<sup>th</sup> and continuing every day that normally would have been a school day. Both breakfast and lunches will be available between 11:30 – 12:30.

## **Where:**

Meals will be available for pickup at the following locations:

- Elk school parking lot
- Albion school parking lot
- Comptche school parking lot
- K-8 campus, on the sidewalk where busses normally drop-off and pick-up students

We know these site closures is a very challenging disruption to most families. If you have additional needs for support please reach out to us at the District Office at 937-5868 and we will put you in touch with our Family Resource Center.
